

Katelyn Hendrick

July

My name is Katelyn Hendrick. I am the only child of Mark and Kim Hendrick. In my free time I enjoy playing tennis, reading and making jewelry. My mother Kim is also a volunteer with me here at the Motherhouse. We both decided to volunteer because we wanted to spend more time together and we knew it would be an emotionally rewarding experience.

At the Motherhouse we help out with assisting the residents getting to and from the room where the game Trivial Pursuit is played. Volunteering here has been one of the best things I've done.

It's amazing how much love and kindness there is in the IHM community and I'm extremely happy to be a part of it, even if it's only a couple times each month.
