

Volunteer of the Month

Judy Glaab

I am married to Peter Glaab (brother of Sister Patricia Glaab). We have been married for 51 years. We have five grown children and 11 grandchildren.

I enjoy golfing, bowling and watching our grandchildren's various activities, such as basketball, soccer and volleyball.

I appreciate so much the opportunity to participate in the IHM Volunteer Program. I volunteer in the Gift Shop, which I absolutely love! I feel that I am finally able to "give back" to the IHM Sisters for the wonderful education they gave me while attending St. Mary's in Wayne, along with values that have lasted throughout my life. I hope to be able to participate in the Volunteer Program for many years to come.
