

Our Favorite Volunteers

Claudia Rodriguez

I live with my mother Julie, my father Carlos, my cat Cuddles and my dog Lisa.

My three favorite things to do are play tennis, read and visit with my friends.

I chose to become a volunteer at the IHM because I wanted to make a difference. I believe I do that if I help a person to have a great day. I'm thrilled to be a volunteer. I would just like to help people have a better and more cheerful day.
