

Volunteer of the Month

Daniel Bronson - May 2008

I have 3 brothers and a sister and a brother-in-law from Colombia and

I'll soon be an uncle. I also have 31 first-cousins. I am 19 years old and the youngest of five children, Katie 31, Mike 28, Patrick 25, and Phil 22.

My hobbies are making wine with my dad and hanging out with my friends. Someday I would love to own a vineyard and make wine.

I came to volunteer because I wanted to make the world a better place. I help with many things as a volunteer. I help our nice farmer, Trevor, with the farming and I play cards in Memory Care. I am also taking Spanish from a great teacher, Sister Remi.
