

Volunteer of the Month

Jeannette Martel

I am third in a line-up of our children, the only girl. My two older brothers are deceased. I have an assortment of nephews and nieces and am a great, great-aunt to twins, Abby and A.J.

I am a bit limited in physical activities but I love to cook (Greek spinach pie and baklava are my specialties). I'm an avid reader. I love mysteries and suspense. Judith and I almost always have a jig saw puzzle in progress, but I can't just pass up a crossword puzzle.

I heard Sister Bernie was looking for drivers so I signed up. My volunteer work consists of driving, playing in the handbell choir and being a lector, which for me is a privilege. I also sing in the Messiah every year and serve as hall monitor for Motherhouse events.

Sister Judith and I are guardians of two lovely and loving Siamese cats, Grad, the mother, and Hannah, the daughter.
