

Volunteer of the Month
Randy Clawson - Dec. 2007

I was born in Monroe, Mich., along with my five brothers and four sisters.

Kimberly, my wife, is a nurse here in the IHM Health Care facility. We have one son, Jimmy.

My favorite times are spent outdoors hunting, fishing and enjoying quality time with my family. We are members of the Grace Missionary Baptist Church.

Kim suggested that maybe I could help out a little by volunteering. Little did I know what a joy it would be for me. The time I get to spend with the sisters is truly a blessing. However, since I have been recruited for babysitting for my niece, my time is limited to only one day a week assisting the sisters to and from hair care.
