

Volunteer of the Month

Kim Hendrick

My husband Mark and I will celebrate our 25th wedding anniversary later this year. We have one daughter, Katelyn, who will be 17 years old this month. She is also a volunteer at the Motherhouse. We live in the Downriver area, close to both of our families.

My favorite hobby is cross stitching. I love it! My sister got me started and I've continued for over 20 years now. I also like to scrapbook for my daughter. Another interest I have is attending Katelyn's tennis matches. She plays on the girl's tennis team at Woodhaven High School.

Initially, I thought it (volunteering) would be a great opportunity for my daughter, Katelyn, to share some of her time with the sisters. As it turned out, I decided it would be something nice for the two of us to do together and so here we are!

My daughter and I come to the Motherhouse on Tuesday evenings and help transport some of the sisters from the infirmary and memory care to attend "Trivia Night." We have so much fun with them! It gives us an opportunity to speak to each one of the sisters and hear about the interesting lives they've led. We've formed some special friendships.

I've enjoyed all my visits to the Motherhouse. I feel so very fortunate to have this opportunity and receive so much in return each time I visit. I hope to brighten their day a bit. I know they brighten mine!
