

Prayer for the Gulf of Mexico

Adapted From [World Gratitude](#)

Today, we invite our World Gratitude family to join together, to leverage our genius and the power of Love to transmute the destructive forces of ignorance, greed and separation that are at play in the Gulf of Mexico ... and beyond.

Dr. Masaru Emoto – author, scientist, and humanitarian – has shared a brief, yet powerful prayer and we are passing it along here as a focal point, a space of conscious creation allowing us to move past fear, judgment and retribution into Unity, Harmony and Wholeness. This prayer is structured using Ho’oponopono and is directed initially at WATER – the element connecting ALL Life on the planet. Water ... the carrier of Spirit and the flow-er of Love!!!

Dr. Masaru Emoto’s Healing Prayer for the Gulf:

“I send the energy of love and gratitude to the water and all the living creatures in the Gulf of Mexico and its surroundings.

To the whales, dolphins, pelicans, fish, shellfish, plankton, coral, algae, and all living creatures . . .

***I am sorry.
Please forgive me.
Thank you.
I love you. “***

We are passing this request to people who we believe might be willing to participate in this prayer, to set an intention of love and healing that is so large, so overwhelming that we can perform a miracle in the Gulf of Mexico.

We are not powerless. We are powerful. Our united energy, speaking this prayer daily...multiple times daily....can literally shift the balance of destruction that is happening.

We don’t have to know how.....we just have to recognize that the power of love is greater than any power active in the Universe today.

Please join us in oft repeating this healing prayer of Dr. Emoto’s. And feel free to copy and paste this to send it around the planet. Let’s take charge, and do our own clean up!
