

St. Mary Organic Farm
2012 Agreement Form

1. I will keep weeds at a minimum and maintain the paths surrounding my plot.
2. If my plot becomes unkempt, I understand I will be given one week notice to clean it up. If left unattended, it will be re-assigned or tilled in.
3. I will take litter home and keep it out of plots, as well as from adjacent pathways and fences.
4. I will remove any string, my stakes and all vine and tall plants from my plot in the fall.
5. I will leave nothing in the plot that will damage the tractor and tiller.
6. I will plant tall crops where they will not shade neighboring plots.
7. I will pick only my own crops unless given permission by others.
8. I will not use commercial inorganic fertilizers, insecticides or weed repellents.
9. I will move the drip tape when hoeing and return it to its proper location afterwards.
10. I will report any damage to the drip tape immediately and use designated tape to temporarily stop leaking.
11. If I must abandon my plot for any reason, I will notify Sharon McNeil (734-240-9720).

Thank you for caring for the land and building community at St. Mary Organic Farm!
