

## Sponsors for St. Mary Organic Farm

St. Mary Organic Farm and the IHM Sisters are sponsoring a **Community Garden for 2009**. This is a great way to bring the community together while providing a vital need to families in our larger community.

Garden plots will provide food for the less fortunate here in Monroe, but we need your help. In these tough economic times we know it is hard to participate in any type of sponsorship, but it's during times like these the needs of the less fortunate are even greater.

**We invite businesses and organizations to join us in supporting this worthy cause by sponsoring a portion of the garden or by donating time and/or material.**

### Benefits for your organization

- Recognition in the garden to remind the community of your generous support.
- Full page ad of your choice printed in our garden newsletter.
- Sign listing sponsors displayed during all garden meetings.
- Knowledge that you are making a difference by helping St. Mary Organic Farm and those who are less fortunate.

**Thank you for considering a Community Garden sponsorship for 2009.**
